1. Discussed with OCD the T/O revision which they had submitted including upgradings of certain branch and section chiefs and trainee jobs to the journeyman level. It was agreed that I would hold the proposal temporarily for further study in conjunction with the ORR and other pending T/O revisions to determine the most appropriate approach to the average salary problem and provision of adequate funds. It is highly unlikely that additional funds can be secured for upgrading of the present T/O. At the same time, we have a sound basis for
